We use both first and third-party session cookies and persistent cookies. Below is a general primer on session and persistent cookies; information collected by cookies depends on its particular purpose. For more information, please see the information regarding analytics providers discussed further below.

- **Session Cookies:** We use session cookies to make it easier for you to navigate our Website. A session ID cookie expires when you close the Website.

If you do not want us to place a cookie on your device, you may be able to turn that feature off on your device. Please consult your browser's documentation for information on how to do this and how to delete persistent cookies. However, if you decide not to accept cookies from us, certain aspects of the Website may not function properly or as intended.
